

# Trudy Rose Brody Memorial Scholarship

This scholarship is offered in loving memory of Trudy Rose Brody, a committed and caring psychotherapist who had a private practice in Smithtown for over 30 years. Prior to opening her private practice, she worked at several mental health clinics in Smithtown and Suffolk County, where she continued to work while she began her private practice.

Scholarships will be awarded to one student each from Smithtown High School East and Smithtown High School West with a GPA of at least 3.0 who exhibits the ideals that Trudy showed; who is planning a career in Social Work or Psychology, and who has been accepted and will be attending a four-year college offering an accredited program in Sociology/Social Work or Psychology. If there are no qualified applicants from one of the Smithtown schools the donor reserves the right to apply the funds for this year to one or more students from a single school.

Trudy attended Adelphi College where she received a BA degree in Sociology/Social Work. She then attended and received a Master of Social Work (MSW) degree from the Smith College School for Social Work. During her graduate level studies, she had internships in Baltimore and New York City.

Trudy shared her knowledge and experience with Social Work students as a Field Instructor/Adjunct Professor for Adelphi University and as a Field Instructor for SUNY (Stony Brook). She also served as Director of Internships at a mental health clinic.

Trudy's volunteer efforts during her career included telephone counseling at a crisis hot line, a Red Cross disaster volunteer following the Egypt Air aircraft crash, and a provider of crisis intervention services to people impacted by the World Trade Center attacks on September 11, 2001.
